## About the Recreational Bicycle Network

The Recreational Bicycle Network (RBN) is part of the Community Connections Municipal Trails Network. The RBN network consists of Community Routes and Township Routes.

**Community Routes** (mostly on road shoulders) are identified in Aldergrove, Brookwood/Fernridge, Fort Langley, Murrayville, Walnut Grove, and Willoughby. Each Community Route is a 3 to 5 km loop cyclists can ride in 20 to 40 minutes.

**Township Routes** connect between each Community Route and provide long rides for experienced cyclists or those who wish to tour.

Watch for trail head signs located prominently in each community indicating the route to follow.

Signs are colour coded:

- Township Route
- Community Route

Some routes intersect, indicated by both colours in the circle. ●

Hours	Dogs
Park hours are from dawn to dusk.	Keep dogs leashed and on the trail. Even well trained dogs can frighten or injure park wildlife and visitors.

**Courtesy Code:**

- obey all signs and regulations
- show courtesy to all other users
- exercise caution in congested areas and where visibility is limited
- give audible warning when passing and signal before turning
- do not ride on sidewalks unless posted by signs
- use other routes if your speed and style endanger other users
- respect and care for the natural environment
- respect private property; do not trespass
- stay on designated trails; off-trail use may damage environmentally sensitive areas

**Enjoy a ride through the Township of Langley. To do so:**

- be prepared for the weather, rain or shine
- keep bike well maintained including brakes, tires, gears, and seats
- ride safely – see and be seen by traffic, pedestrians, and equestrians
- wear a properly fitted helmet
- secure bike and detachable items to a bike rack, not to street trees, lamp posts, or signs

When riding a bicycle on the road, you are subject to the provincial Motor Vehicle Act including all risks, responsibilities, and duties. Obey all rules of the road and ride safely. If you are riding with children, be aware of and teach them to follow safe riding practices.
